

## Guidelines for Submitting Your Application to MMR

Thank you for your interest in submitting your research success stories to MMR Technologies. We are excited to have the opportunity to showcase your successes with MMR equipment!

### Materials Requirements for Website Applications Submission:

- ◆ For each graphic involving lines, drawings, charts, graphs, etc. — the file should be in a "vector" format such as EPS, AI, WMF, or DXF.
- ◆ For each photo or "picture" image — the file can be in one of the following "bitmapped" formats: TIFF, BMP, PNG or JPG. The size of the image should be 3" x 3" or larger at 300dpi.  
(Note: If you are using the JPG format, create the file using maximum resolution/quality settings — and send first-generation JPG files, please. Repeatedly-copied JPGs lose quality in each generation.)
- ◆ If the application is submitted as one integrated piece, such as in a Word document with images imbedded, please also submit each of the graphics and photos as a separate file.
- ◆ If the document uses any special characters, Greek letters, etc. (which sometimes render differently on different computers) we would also appreciate a PDF of the document to clarify which characters were intended.)

### Application Outline:

In presenting your information, please follow a simple outline similar to the following:

1. Application Objective(s)
2. Application Challenge(s)
3. MMR Equipment Used
4. How Application Objectives Were Achieved
5. Results/Summary
6. Publication References using this information or success

### Maximum Length:

The maximum length for any submission should be two pages, 9 point type. MMR reserves the right to edit submissions for length, style, etc.

### Submission Form Necessary:

All submissions must include a completed *Application Submission Form* which can be downloaded from the MMR website. Incomplete submissions cannot be placed on the website.

### Submit Materials To:

MMR Technologies  
Attn: Website Application Submissions  
1400 North Shoreline Blvd., Unit A5  
Mountain View, CA 94043-1346 USA

Or via email to: [sales@mmr.com](mailto:sales@mmr.com) Subject Line: Website Application Submission
